

The Terra Dotta Learning League

A Mentor / Mentee Program

Are you a newer user of Terra Dotta software and are looking for guidance? Or perhaps you are a veteran user, and you would love to pass on some of the knowledge you've gained?

Terra Dotta is excited to announce a new mentorship program in conjunction with the 2024 TDU Global conference. At TDU Global, Coaches and Learners will have dedicated time to meet up and share their professional goals, both for the TDU Global Conference and more generally for Terra Dotta software use. This is a great opportunity to provide or seek advice and network with other institutions!

**Please note that this program is subject to availability, pending the number of applicants.*

Eligibility

- **Coaches** must have used at least one Terra Dotta software solution for more than 2 years as of August 31, 2024.
 - **Learners** must have used Terra Dotta software solutions for less than 1.5 years as of August 31, 2024.
-
