

International Lung Cancer Survivorship Conference
Friday, September 22 - Saturday, September 23, 2023
PRELIMINARY AGENDA

We are looking forward to an information-filled weekend on a variety of topics that impact the lung cancer community.

To ensure we were able to cover a broad variety of topics, we encourage you to view a few of our sessions prior to the conference so you get the most out of the sessions during the conference. The following sessions will be available on the platform about one week prior to the conference:

Session	Speaker
Chemotherapy 101	Jyoti Patel, MD <i>Northwestern Medicine</i>
Surgery 101	Timothy Mullet, MD, MBA, FACS <i>UK Markey Cancer Center</i>
