be dismantled until all scheduled events have ended. **Exhibitors have until 7:00 p.m., October 8, 2025 to remove their display and exhibit material from the exhibit hall.**

Use of Space

Exhibitor locations will be assigned at the sole discretion of ATA. ATA reserves the right to relocate display areas at any time. **Only one company may occupy a single exhibit table.** If companies desire to display jointly, each company must reserve table(s) according to the number of firms involved in the display. The same company must occupy an exhibit table for the duration of the Forum. Exhibitors shall not assign, sublet, or share the space contracted for with another business or firm unless approval has been obtained in writing from ATA. Exhibitors must show only goods manufactured or dealt in by them in the regular course of business. Should an article of a non-exhibiting firm be required for operation or demonstration in an Exhibitor's display, identification of such article shall be limited to the usual and regular trademark under which same is sold in the general course of business.

A firm or organization not assigned exhibit space will not be permitted to display products or solicit business in the Exhibition area. Exhibitors shall comply with all applicable Hotel rules and regulations. All displays, demonstrations, sales activities, etc., must be contained on the table and must not impede traffic through the aisles unless express permission is granted by ATA. Exhibits that include the operation of audio or video equipment, public address systems or any other noise-making machines must be conducted or arranged so as not to disturb adjacent Exhibitors. Exhibitors must secure approval of operating methods from ATA before the exhibit opens. **Distribution of circulars or promotional material may be made only on the table assigned to the Exhibitor presenting such material.**

Care of Building and Equipment

Exhibitors or their agents shall not injure or deface the walls of the building, the tables, or the equipment. Exhibitors are not permitted to drive tacks, nails, or screws into the walls or woodwork. When such damage appears, the Exhibitor is liable to the owner of the property so damaged. The use of stickers and decals is limited to the Exhibitor's own display.

Termination and Refunds

If Exhibitor fails to comply with these rules and regulations concerning use of exhibit space, ATA shall have the right to terminate this agreement immediately. In that event, Exhibitor shall forfeit the amount paid for the space reservation. In the event the Forum is canceled by ATA for any reason at any time, Exhibitor agrees that the sole liability of ATA shall be to return Exhibitor's payment less any reasonable expenses incurred by ATA.

In the event Exhibitor cancels this agreement more than 60 days prior to the start of the Forum, a cancellation charge of 10% of the exhibitor fee shall be assessed; if Exhibitor cancels 21-60 days prior to the start of the forum, a cancellation charge of 50% shall be assessed; if Exhibitor cancels less than 21 days prior to the start of the Forum, a cancellation charge shall be the full space rental fee.

The representative shall be authorized to enter into such service agreements as may be necessary to exhibit at the Forum. The Exhibitor's representative shall be in attendance throughout all exposition periods. The representative shall be responsible for keeping the exhibit neat, manned, and orderly at all times. The Exhibitor and its representative shall comply with all requests by the Hotel or ATA regarding the exhibit.

Laws, Regulations and Local Ordinances

It is the responsibility of each Exhibitor to have knowledge of, and comply with, all laws, ordinances and regulations pertaining to health, fire prevention, and public safety while participating in this exposition.

Union Labor

Exhibitors are required to observe all contracts in effect between the Hotel and third parties, including any labor organizations. These rules & regulations shall be deemed incorporated in the agreement between Exhibitor and ATA.

Indemnification and Insurance

The Exhibitor shall carry public liability insurance with financially responsible underwriters, insuring the Exhibitor against liability for bodily injuries (including wrongful death) and damage to property caused by Exhibitor's negligent use or occupancy of the Exhibit space or activities at the Forum (not less than \$1,000,000 combined single limit for personal injury and property damage).
