90s Partner Invitation

For over 106 years, Matthews Hall Independent School has aspired to provide education that reaches beyond the average and is based on children's confidence and their compassion for others. Located at 1370 Oxford Street West in London, Ontario, our school offers an enriched learning environment for approximately 200 students from Pre-Kindergarten to Grade 8. Our students have the opportunity to strive for personal best, discover their own unique capabilities, and graduate as confident, well-rounded individuals.

As our school operates independently of government funding, your support is invaluable. Our largest fundraising event of the year is Matthews Hall's annual Spring Gala, and one of the key drivers of our success is sponsorship. The Spring Gala provides a night of delicious food, entertainment, and live and silent auction in a themed atmosphere encouraging guests to support our school.

We anticipate a very well attended and fun filled evening, all in support of the people, program, and place here at Matthews Hall. This year will focus on the performing arts, and we seek to upgrade our lighting and sound system which will impact the learning journey of all our students.

As a friend and supporter of Matthews Hall, we are hopeful you or your business will consider sponsoring our event. Your participation would mean a great deal to our students.

The following sponsorship levels for this year's Spring Gala, **90s Dinner & Auction** held at Sunningdale Golf & Country Club, offers you an exclusive opportunity to promote your business brand among our 120+ guests. To help guide your decision, we can also assist you with a more personalized package that best meets your business needs.

To sponsor Matthews Hall's **90s Dinner & Auction** please contact Holly Doty, Director of Advancement at doty.h@matthewshall.ca. We thank you for your generosity and hope to see you there!

Sincerely,

Spring Gala Committee
