Pathways to Prevention Symposium: Sponsorship Package

Partner with us and create an unforgettable learning experience. Your support fuels meaningful impact and positions your organization as a champion for child and youth mental health.

Featuring keynote speaker **Bruce D. Perry, MD, PhD** and a line-up of inspiring keynote speakers, this event will showcase global efforts to support children and families. You'll also have rich opportunities to connect and network with members of the Neurosequential Network community and others passionate about this work.

Join us for our **fourth** Symposium, welcoming an interdisciplinary group of more than **700** delegates working to understand and solve the behaviour and mental health challenges that impact children, their families, and society.

Together, we can transform lives - partner as a sponsor for the 2026 Pathways to Prevention Symposium.

Dr. Emily Wang

Senior Director, Clinical Advancement, Hull Services
2026 Pathways to Symposium Symposium Chair
