TRADESHOW PACKAGE

WELCOME

The **Saskatchewan First Nations Natural Resource Centre of Excellence (SFNNRCE)**, in association with Deloitte, proudly presents the Second Annual **Saskatchewan First Nations Energy & Natural Resource Forum** - a three-day gathering of First Nations leadership, industry, government, and community partners. This premier event highlights solutions, shares knowledge, and explores the transformative potential of First Nations leadership in North America's energy transition.

The Tradeshow runs alongside Forum programming, providing exhibitors with meaningful opportunities to connect with decision-makers, highlight products and services, and build lasting partnerships.

WHY EXHIBIT

Exhibiting at the Forum gives your organization the opportunity to:

- Connect with First Nations leaders, industry executives, government representatives, and community partners

- Showcase products, services, and innovations to an engaged audience

- Build relationships that advance equity, workforce development, procurement, and sustainability

- Align with community-driven initiatives and long-term partnerships

WHAT TO EXPECT

The Forum will gather domestic and international thought leaders to discuss innovative approaches that braid First Nations' Inherent and Treaty Rights with the development of future energy and natural resource projects. Discussions will focus on four key themes:

MAJOR PROJECT EQUITY & OWNERSHIP:

Advancing economic partnerships and investment opportunities.

WORKFORCE DEVELOPMENT:

Building capacity and creating pathways to energy and resource careers.

LEADERSHIP IN VALUE CHAINS:

Advancing economic partnerships and investment opportunities.

SASKATCHEWAN FIRST NATIONS ENERGY &
NATURAL RESOURCE FORUM 2026

BENEFITS FOR ALL EXHIBITORS

NETWORKING OPPORTUNITIES: Gain access to exclusive networking events throughout the Summit, connecting directly with First Nations Chiefs and Nations, economic development leaders, industry executives, investors, and government decision-makers. Build relationships that lead to procurement opportunities, partnerships, and long-term collaboration.

COMMUNITY ENGAGEMENT: Align your brand with First Nations initiatives and community-driven development. Demonstrate your commitment to advancing equity, capacity building, ownership, and sustainable economic growth in partnership with Indigenous communities.

PROMOTIONAL EXPOSURE: Enhance your brand visibility through integrated marketing efforts, including social media promotion, newsletters, event materials, on-site recognition, and local media coverage. Position your organization as a trusted partner in Saskatchewan's evolving energy and natural resource landscape.
